Subject Index

Adolescents, sexually transmitted diseases in, 23
Aging, and adverse drug reactions, 179
Amish families, caring for, 56
Amyotrophic lateral sclerosis, movement disorders in, 157
Ankle joint sprains, evaluation and treatment of, 120
Athletes. *See* Sports medicine
Azithromycin in acute otitis media, 95

Back pain, sports-related, 141
Barotrauma, vertigo in, 164
Becker muscular dystrophy, 170
Botulism, movement disorders in, 155

Candidiasis, vulvovaginal, treatment guidelines for, 48
Caregivers, and legal relationships of coproviders, 5
Chancroid, 30
  treatment guidelines for, 47
Children
  chlamydial infection in, 42
  molluscum contagiosum in, 32
  muscular dystrophy in, 167
Chlamydia trachomatis infection, 40
  treatment guidelines for, 47
Chronotherapy, overview of, 7
Circadian rhythms, 7
Conversion disorder
  dizziness in, 161, 165
  movement disorders in, 158
Cumulative trauma, movement disorders from, 159
Cytomegalovirus infection in AIDS, 18

Depression, drug-induced, 180
Diabetes mellitus, non-insulin-dependent, 186
Dizziness, 160
Drug therapy
  and adverse reactions in elderly patients, 179
  ototoxic effects of, 163, 183
  timing of, and biological rhythms, 7
Duchenne muscular dystrophy, 169
Dystrophy
  muscular, 167
  myotonic, 172

Ear disorders, vertigo in, 162
Eaton-Lambert syndrome, movement disorders in, 156
Editorials, 1, 55, 99, 149
Elderly patients, adverse drug reactions in, 179
Emery Dreyfus muscular dystrophy, 171
Epididymitis, treatment guidelines for, 49
Exercise. *See also* Sports medicine
  tolerance in elderly persons, 180

Facioscapulohumeral muscular dystrophy, 171
Fainting, 160
Falls by elderly persons, 181
Fractures, movement disorders in, 154

Gonococcal infections, treatment guidelines for, 48
Granuloma inguinale, 31
Gynecologic disorders in HIV infection, 19

Handwashing habits in public restrooms, 186
Health promotion
  and fitness update in 1996 Surgeon General's *Report*, 104
  and loan fund to attract providers in Virginia, 96
  for sexually active adolescents, 23
Hepatitis, viral
  type B, 10
  type C, 13
  type D, 12
Herpesvirus infections, treatment guidelines for, 47
HIV infection
  movement disorders in, 159
  syphilis with, 38
  telephone treatment information service, 52
  update for primary care providers, 16
Hydrops, endolymphatic, dizziness in, 164
Hyperviscosity syndromes, dizziness in, 165
Hypotension, orthostatic
  dizziness in, 160
  drug-induced, 181
Hysteria. *See* Conversion disorder

Immunizations, educational software for, 95
Infants
  chlamydial infection in neonates, 41
  congenital syphilis, 36
Infertility
  images of, 60
  legal issues in, 58

Infertility (*Continued*)
pathophysiology of, 76
in men, 80
in women, 77
progress in management of, 87
and recurrent pregnancy loss, 64
In vitro fertilization, 90

Jarisch-Herxheimer reaction in syphilis, 38
Jones, Mark, as facilitator in United Kingdom, 2

Knee joint, evaluation and treatment of, 112

LaBerge, Debbie, caring for Amish and Mennonite families, 56
Labyrinthitis, acute, vertigo in, 164
Legal issues
in infertility, 58
in relationships with coproviders, 5
in sports medicine, 102
Lightheadedness, 160
Luteal phase, assessment of, 84
Lyme disease, movement disorders in, 159
Lymphogranuloma venereum, treatment guidelines for, 47

Malingering
dizziness in, 165
movement disorders in, 158
Median bar syndrome, movement disorders in, 158
Meniere's disease, 164
Mennonite families, caring for, 56
Mental status, drugs affecting, 180
Migraine, dizziness in, 165
Mobility disorders, 152
causes of, 154
in dizziness, 160
drug-induced, 181
in elderly patients, 179
in muscular dystrophy, 167
in parkinsonism, 158, 174
Molluscum contagiosum, 32
Mood disorders, drug-induced, 180
Motor neuron pathology, movement disorders in, 157
Multiple sclerosis, movement disorders in, 157
Muscle damage, drug-induced, 181
Muscular dystrophy, 167
Becker, 170
Duchenne, 169
Emery Dreyfus, 171
facioscapulohumeral, 171
Myasthenia gravis, movement disorders in, 155
Mycobacterium avium complex in AIDS, 18
Myopathy, drug-induced, 181
Myotonic dystrophy, 172

Neuromuscular junction defects, movement disorders in, 155
Neuropathies, movement disorders in, 156
Neurosyphilis, 36
Nutrition education for athletes, 106

Opportunistic diseases in HIV infection, 18
Orthopaaedic sports medicine. *See* Sports medicine
Otitis media, acute, azithromycin in, 95
Ototoxic drugs, 163, 183
Ovulation, documentation of, 82

Pain, movement disorders in, 154
Parkinson disease, idiopathic, 175
Parkinsonism, movement disorders in, 158, 174
Peak flow meters, disposable mouthpieces for, 95
Pediculosis pubis, treatment guidelines for, 50
Pelvic inflammatory disease, treatment guidelines for, 48
Photosensitivity, drug-induced, 183
Pneumocystis carinii pneumonia in AIDS, 18
Post-polio syndrome, movement disorders in, 157
Practice opportunities
caring for Amish and Mennonite families, 56
in orthopaedics, 100
in United Kingdom, 2
Pregnancy
HIV infection in, 20
recurrent losses in, 64
syphilis in, 36
Proctitis, sexually transmitted, treatment guidelines for, 50
Protease inhibitors in HIV infection, 16

Reverse transcriptase inhibitors in HIV infection, 16

Scabies, treatment guidelines for, 50
Sclerosis, multiple, movement disorders in, 157
Seizures, drug-induced, 182
Sexually transmitted diseases, 9
chancroid, 30
Chlamydia trachomatis, 40
granuloma inguinale, 31
HIV infection update, 16
molluscum contagiosum, 32
and risk reduction in adolescents, 23
syphilis, 34
treatment guidelines for, 47
viral hepatitis, 10
Shoulder injuries in athletes, 136
Sick building syndrome
inner ear disorders in, 163
movement disorders in, 159
Spinal cord pathology, movement disorders in, 157
Sports medicine, 105
ankle joint sprains, 120
knee joint evaluation and treatment, 112
legal issues in, 102
low back pain management, 141
nurse practitioner role in, 100
and nutrition for athletes, 106
preparticipation physical examinations, 125
shoulder injuries, 136
Stokes-Adams attacks, dizziness in, 161
Surgeon General's 1996 *Report on Physical Activity and Health*, 104
Syncope, 160
Syphilis, 34
treatment guidelines for, 47

Temperature
  basal body, in menstrual cycle, 82
  drugs affecting, 183
Timing of drug therapy, and biological rhythms, 7
Tramadol hydrochloride tablets, dosage and administration of, 96
Trauma
  cumulative, movement disorders in, 169
  dizziness in, 161, 164
Trichomoniasis, treatment guidelines for, 48

United Kingdom, nurse practitioner development in, 2
Urethritis, nongonococcal, treatment guidelines for, 47

Vaginosis, bacterial, treatment guidelines for, 48
Vertigo, 162
Virus infections
  hepatitis, 10
  HIV infection, 16

Warts, sexually transmitted, treatment guidelines for, 49
Women
  causes of infertility in, 77
  chlamydial infection in, 41
  HIV infection in, 19
  nutritional deficiencies in athletes, 108
  preparticipation sports evaluation, 134
  syphilis in, 34, 38
